

Eco- Fiber Art Workshop Series

Picture Frame Weaving

Join us for this great summer series of fun, hands-on workshops. You will create beautiful pieces made from yarn and dyed from natural, eco-friendly materials. All workshops are \$25.00. Payment is accepted at the workshop via check or cash. Sorry, we don't take credit cards. Workshops are for adults and youth over the age of 15.

Our first workshop is Picture Frame Weaving. You will weave a tapestry of beautifully colored natural yarns in an upcycled picture frame. We will provide frames and yarns. You may bring your own materials to add to your work of art such as colorful fabric, jewelry, beads, stones, bones, and sticks. You will have time to gather materials on-site as well. You will leave with an art piece suitable for any wall.
